## FROM THE DIRECTOR'S DESK

If you have tested positive for COVID-19 and received a letter from the Health Department stating that you are on quarantine, please notify the office and send in a copy of that letter. If you do not have a letter from the Health Department, we will still come do our scheduled inspections or any work orders you have.

In the past the trash company has picked up all large items and disposed of them. They are no longer doing this. Going forward, if you have any non-trash items, you will need to call the office and we will make a work order to pick up the item[s] and we will dispose of it. You will be charged the time it takes us to get there, pick it up, and take it back to the office and the disposal fee. You will be sent a bill at the beginning of the next month giving you 30-days to pay it just as you would any other charge.

If you have a work order please call it in as soon as you notice the damage or that something is not working. If you call later on in the day and it's not an emergency chances are we are already headed back to the office or already back in Carlinville and won't be able to make it that day. The sooner you call the better!

We will be closed Monday, September 6, 2021 for Labor Day!

### Ingredients for 12 Chewy Chocolate chip cookies

- 1/2 cup granulated sugar
- 3/4 cup brown sugar, packed
- 1 teaspoon salt
- 1/2 cup unsalted butter, melted
- 1 egg
- 1 teaspoon vanilla extract
- 1 1/4 cups all-purpose flour
- 1/2 teaspoon baking soda
- 4 oz milk or semi-sweet chocolate chunks
- 4 oz dark chocolate chunk, or your preference

### Preparation

1. In a large bowl, whisk together the sugars, salt, and butter until a paste forms with no lumps.
2. Whisk in the egg and vanilla, beating until light ribbons fall off the whisk and remain for a short while before falling back into the mixture.
3. Sift in the flour and baking soda, then fold the mixture with a spatula (Be careful not to overmix, which would cause the gluten in the flour to toughen resulting in cakier cookies).
4. Fold in the chocolate chunks, then chill the dough for at least 30 minutes. For a more intense toffee-like flavor and deeper color, chill the dough overnight. The longer the dough rests, the more complex its flavor will be.
5. Preheat oven to 350°F (180°C). Line a baking sheet with parchment paper.
6. Scoop the dough with an ice-cream scoop onto a parchment paper-lined baking sheet, leaving at least 4 inches (10 cm) of space between cookies and 2 inches (5 cm) of space from the edges of the pan so that the cookies can spread evenly.
7. Bake for 12-15 minutes, or until the edges have started to barely brown.

Enjoy!
