## FROM THE DIRECTOR'S DESK

*" Hot July brings cooling showers, apricots, and gillyflowers"*

- Just a friendly reminder that all trash receptacles are to be kept in the garage at all times. They are to be taken out to the end of the drive for trash pick up on Tuesdays but must be placed back in the garage that evening.
- Any complaints must be put in writing and sent into the office. We do not accept anonymous complaints.
- All Pet Identification cards must be posted in the front door window of apartments. This lets housing staff know that an animal has been approved and may be inside the unit. In this case staff will be careful to close the door so the pet doesn't get outside. If there is no ID in the window, staff will assume the animal has not been approved and the resident could face reprimand from the office. If a Pet ID has become faded or is lost, the resident should call the Housing Office so staff can take a new picture and issue a new card. Only an approved cat or dog is allowed in Gillespie Senior Residences.
