FROM THE DIRECTOR'S DESK

- * During the cold months your furnace will work more efficiently if you change the filter regularly, we suggest monthly. If you can't reach it or don't know how, call in a work order.
- * If you put decorations up for the holidays, remember, decorations must be in good working condition. They should not be nailed to the outside of the building or to trees. Extension cords must not be laid across the yard or doorway—that creates a trip hazard.
- * When the holidays are over be sure to take down decorations. Dispose of Christmas trees properly. The trash men will not pick them up. Some communities have a tree-pick up or have a location where you can dispose of one. Watch for locations, days and times in your newspaper.

May you all have the happiest of Holidays!
