## FROM THE DIRECTOR'S DESK

### *Friendly Reminders*

- ⇒ You are responsible to maintain your lawn. We require that it be no taller than 5” in height. If we are out in the development and notice that your grass is beyond this height, you will be notified in writing, that this must be taken care of before the following Monday. If it is still not taken care of, we will contract the yard to be mowed at your expense.
- ⇒ The outside of the home is to be well maintained, meaning no trash or debris. All trash must be placed inside a bag inside the trash receptacle provided. This includes but is not limited to children's toys, bikes, etc. These items must be stored up against the home, out of the way. Sidewalks and porches are to be kept clear of items which could cause someone to trip and fall. You are required to care for the walks and grounds adjacent to your home.
