FROM THE DIRECTOR'S DESK

According to the calendar, spring arrives this month. I think we are all ready for some warm weather and sunshine.

With the warmer weather coming, make sure that you are cleaning up the exterior of your homes. This includes cleaning up the trash around the building. Removing those items that do not belong outside and getting rid of them or storing them inside.

Spring is right around the corner. Please remember you are NOT allowed to plant anything in the rock area, but you can plant in pots and set the pots in the rock area.

You are responsible for weeding and maintaining the rock area.
